To Whom It May Concern:

This Letter of Recommendation is for Barry Connick, who has been in my employe for the last four years at ERA Cornerstone Realty Group. During that time, he has displayed a "team player" attitude and always took the extra step to assist the real estate agents in multiple offices. He learned new programs offered by our parent company, and created systems that blended well with our industry.

He always had a positive attitude and a willingness to go the extra mile. He was extremely appreciated by me and our company.

His departure was due to changes in the ownership of the company and the direction they choose to take the company which would accommodate the changing real estate market. Any company that hires Barry will greatly benefit from his work.

I can be reached for any additional information at 530-265-7940.

Sincerely,

Mimi Simmons
